SCABBinar:

Getting the Most from Assessments and Inspections

Tuesday – December 12, 2017

Presented by:

Linda Sigg, MT BB(ASCP)SBB, CQA(ASQ)
Consultant
(Retired from AABB as Staff Lead)
Martinez, Georgia

Description: Surveys from outside agencies can be stressful experiences, but also great opportunities. Because those who conduct these external surveys are well-versed in the areas they are assessing, they also are great sources of information. This presentation will help participants to welcome external surveys as learning opportunities, rather than disparaging ordeals. It will also supply tools to help these surveys run more smoothly.

Level of difficulty: Intermediate

Intended Audience: All involved in assessments & inspections
