HOW TO WRITE A SCABB ABSTRACT

SESSION DETAILS

DESCRIPTION:

This presentation will describe what an abstract should be and how presenters and authors can structure their abstract to best describe their presentation or paper. It will detail a process for preparing a meaningful abstract and describe abstract worthy blood bank topics. The presentation will end with a review of the SCABB abstract submission process.

OBJECTIVES:

- Discuss data needed to write an abstract
- Explain formatting of the abstract
- Review the submission process for an SCABB abstract
