

South Central is honored to have Fran Carson of Carter BloodCare serving once again on our Board of Directors. Previously serving as Treasurer, she joins our 2022-2023 Board of Directors as SCABB's President-Elect.

QUESTION: Why did you decide to get more involved with SCABB through service on a committee and/or the Board of Directors?

ANSWER: I wanted to learn and meet more people. I started out as a committee member, then committee chair, then got involved with the board. The networking opportunities are endless in this organization, and I have made some life-long friends.

QUESTION: What is something you love to do outside of work?

ANSWER: I love to be outside and in the water. Sitting on the beach or out on the boat at the lake, those are my happy places.

QUESTION: If you could share just one benefit of SCABB membership with a non-member, what would it be?

ANSWER: The networking opportunities are priceless. You have access to so many industry leaders with so much experience and knowledge that you can't go wrong. If I need help with something, I can pick up the phone and call a number of people across the country that are always willing to help me out.
