From: South Central Association of Blood Banks  
Re: Faculty Disclosures

Thank you for agreeing to participate as a speaker in SCABB's continuing education efforts for the Annual Meeting scheduled for the 2017 fiscal year.

South Central requires all individuals in a position to control the content of an accredited Continuing Education Activity to disclose any financial relationship(s) with a company if both (a) the relationship occurred within the past 12 months and (b) the company's specific products or services will be referenced or discussed in the portion(s) of the activity over which the individual has control.

A relationship which would require disclosure is one which provides financial rewards to the speaker or to his/her immediate family or which would give the speaker or an immediate family member an interest in the company's well-being.

Sponsors of educational events, such as the South Central Association of Blood Banks, are required to obtain these disclosures and make the information available to the audience prior to the speaker's presentation.

Please complete the form below return via email to [education@scabb.org](mailto:education@scabb.org) or fax to 866-649-6590 by no later than February 5, 2017.

Note that your failure to complete this disclosure will preclude continuing education accreditation of this educational program.

Thank you again for your contribution to our program and for your help in completing this necessary documentation. If you have any questions, please feel free to call the SCABB Central Office at 866-649-6550.
